Coffee in the Narthex

Enjoying having a cup of “Joe” in the narthex prior to worship? Having a chance to visit before we begin worship with a hot brew in your hand? Prayerfully consider donating some Keurig cups to our coffee supply. Pick your favorite brew, high test or decaffeinated, and bring a box (or two, or three) into the church the next time you’re around. Others will appreciate it, and we can share the expense of offering this free service to others. Thanks!

Watching Our Utility Bills

Just a reminder, and a follow up to Zack Fulmer’s frequent Sunday announcements about cooling in the church. Please watch your thermostat use – if you’re using a space in the building, please remember to reset the

thermostats to 78 degrees when you leave. Also, it costs valuable money when we leave doors open. Please remember to close all doors behind you when you leave a room. We don’t need to cool the sacristy, the classrooms, and other spaces when they’re not in use. Make sure you close doors behind you to keep our costs down. Doing so can save us hundreds, maybe thousands or more per year. Thanks!

You’re invited! To the most prestigious and fun church group anywhere.

Got your attention?

Beginning Tuesday, January 10, 2023 at 1pm, you’re invited to join a group that meets monthly (2nd Tuesday of every month at 1:00 pm at the church) to solve problems, to find new and exciting ways of doing things in and around, to have some fun and meet new people.

While a small group has been doing this for quite a while now, the group felt it would be fun to invite anyone who wants to attend these one hour meetings to please do so. We take an operational look at everything, from worship to property to ushering to new members...you name it. The goal of the group is to make us the best church community that we can be.

Pastor Greg typically sets the agenda, and we work from that each month. Call it problem solving. Call it loving your church. Call it doing God’s will. It’s fun, and we all get a lot of enjoyment out of making things better for our church. No one has an agenda - we just work to solve problems and address issues, while having some fun doing it.

So join us on January 10, 2023 at 1pm and see what you think. We’re trying to come up with a name for the group - maybe something funny and biblical. If you have something in mind, let us know.

Hope to see you January 10, 2023 at 1pm for our next meeting. Pastor Greg

Christmas Tree of Cans:

It's that time of year when we enjoy looking at and decorating Christmas trees. Our tree in the church sanctuary will be decorated with many lights and handmade "Chrismon" ornaments. When I was teaching chemistry, I had students make molecules out of colored foam balls and toothpicks for the school Christmas tree. Christmas trees are beautiful and meaningful. The Church's Social Ministry team is going to make a "Christmas Tree of Cans". We have received a Thrivent grant for \$250 which will be used to purchase cans of food – veggies, fruit, soup, tuna fish, etc. We ask the congregation to help us by bringing cans of food to the church to supplement what we purchase. When we have enough, we will construct the tree. After Christmas, it all goes to the Food Pantry of Indian River County to feed the indigent people living in Vero Beach.

Clare Kaelin

Here we are! All decked out for Christmas!

For those of you that may not get the opportunity to see how the lighted cross looks at night, here is a birds eye view. A big THANK YOU to all who helped to make this happen!

Altar Guild Annual Meeting: Wednesday, January 11, 2023 @10:00 a.m. Please join us for this very important meeting. We are looking for volunteers to join the Altar Guild and for volunteers to assist with removing the flowers from the altar and volunteers to deliver the flowers to Hospice after each service. Please see Marion Crane or Kathy Bender for details.
