

Adria Ryan Joins Living Lord Church as Its New Minister of Music Sunday, August 28th, 2022

Adria Ryan joined Living Lord as its new Minister of Music on Sunday, August, 28th. She said recently that she's excited to begin serving Living Lord Lutheran Church. Adria was raised and lived in Western New York for most of her life, but always had ties to the Treasure Coast. Despite declaring that she would never move to hot and humid Florida, God called her to do so, and so she did. She has served as a Music Minister in various churches for more than 28 years – mostly in Roman Catholic settings. She is also a Certified Sommelier.

“We're grateful to have been able to find someone with the gifts and talents of Adria for our congregation”, Greg Shreaves, pastor of the church said recently. “She bring a great deal of both experience and enthusiasm to this work. And she really has a spirit for church music”, he added.

She is owned by a deaf cat named Mozart, who loves to “accompany” her on the piano and to help keep all accessible surfaces free of any “clutter”! She enjoys reading, swimming, playing tennis, cooking and playing cards / games.

Her installation as the church's new Minister of Music is scheduled for October, 2022.

Living Lord Lutheran Church is one of nearly 10,000 ELCA (www.elca.org) congregations nationwide, with just under 4 million members throughout the US.
